Supplemental Reasons for Allowance

With regard to the comments on statement of reasons for allowance filed December 05, 2007, Applicant argued that the reference to roll 10 as being a sag compensation roll may be a typographical error in the Beckers (US 6,305,280) patent because roll 10 is not illustrated in the same way that the other sag compensation rolls 4, 8, 9, and 13 are. This argument has been considered. However, even if the roll 10 is not the sag compensation roll, the Examiner is still maintained that claims 9-17 and 21-25 are allowable because the art of record, considered alone or in combination, neither anticipates nor renders obvious a multi-calender comprising the type of rolls in an arrangement as claimed in claims 9 and 21.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy T. Nguyen whose telephone number is (571) 272-4520. The examiner can normally be reached on Monday-Thursday 7:30am-5:00pm with alternating Friday 7:30am-4:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Derris Banks can be reached on (571) 272- 4419. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
